PRESIDENT'S REPORT

Hello again from the desk

With just this handful of shows remaining our show season is over for another wonderful year. If you are close by and still need that 'orchid fix', Western Suburbs O/S will be at Ashfield Mall from 21-25 Oct then Blue Mountains and Penrith O/S will round up the metropolitan events on 31Oct – 1st November. Still left from our regional societies are Central Coast/Hunter region Cym Soc 24-25 Oct, Illawarra on 24 Oct and Tweed on 31st Oct/1st Nov.

Nationally, the AGM and BOM of the AOC will be held this Saturday 17/10 by Zoom. I expect we will hear details about changes to the publication Orchids Australia, updates about the Award system and more about benefits for members moving forward. OSNSW delegate Peter D'Olier will give a short report to the OSNSW General meeting as soon as practical. (Look for it in the meeting minutes of Orchid News)

Still to come (and the last show of 2026) is the **OSNSW Summer Orchid Festival (SOF)**. A change of venue for this prestigious event has become necessary because our Ermington home venue is now permanently unavailable on Sundays. Moving on, we have secured the Georges Hall Community centre (188 Birdwood Rd Georges Hall) for our show on the weekend of 5/6 December. This is your opportunity to see the best of the best summer flowering orchids all together in a grand display. Please visit the Summer Orchid Festival website (or google Summer Orchid Festival) for details about the competition – how to enter, times, sales opportunities, and conditions of show. EVERYONE who is a member of OSNSW and our affiliates is encouraged to enter the competition and may offer plants for sale (with preference to flowering plants)

And to round up our year, the OSNSW Christmas celebration buffet will be at our hall in Ermington on Monday 30th November, 7 for 7.30pm. Invitations have gone out to our Affiliated Societies hoping that someone from each of them will be able to join us…. the tiger prawns are worth it I promise!

Our huge raffle which includes hampers and vendor vouchers from both Kingfisher and Alice's Orchids continues to be an attraction for all.

For our members: the hall will be open from 4pm, we need help with the set up, gather your friends and choose your table. **Bring your necessities** (plate, cup/glass, cutlery and maybe a spare, special drinks if you wish) AND your gift for the raffle.

See you there, Veronica

The Orchid Society of NSW General Meeting Held on Monday, 28 September 2026 at the Ermington Community Centre, River Rd, Ermington

Opening: Tonight's meeting was declared open at 8pm by President Veronica Clowes who welcomed those present to the September 2026 meeting. Veronica asked members to make sure they sign the attendance book at Toni's table, and to enjoy the plants on display this evening.

Notice to members: The Annual point score prizegiving will take place at the October OSNSW meeting. This is because we celebrate end of year and Christmas with our party at the November meeting and that evening is very busy.

Visitors: Zac Robertson

New Members: Richard Dimon, Daimin Japar

Apologies: Mark Drury, Peter Mizsalski

Confirmation of Minutes: The minutes of the meeting held on 31 August 2026 were confirmed as a true account of that meeting. Proposed by Christine Rethers and seconded by Antonina Forster, approved.

Apology in the minutes of the 2026 AGM Committee member Jan Robinson's name was omitted from the list approved by members. Apologies to Jan, the error has been rectified.

Matters Arising: Nil

General Business

- Supper assistance. Thanks go to Antonina Forster and Joe Portelli for assisting with supper. Thanks also to those who contributed goodies.
- Tonight's Special Plant is *Slc.* Sierra Doll supplied by Joe Gafa
- Sales Table. The Sales table is now in operation and the President asked members to please consider bringing their excess plants for us to sell.
- Affiliated Societies competition: The 2026/27 competition commenced in July. The competition closes on 30 June 2027 and judging will take place straight after with the winners announced at the OSNSW Annual General Meeting in August. Winners each to receive $300 and the relevant society $100. Details of the Affiliated Societies Photo competition can be found in the Affiliated Societies section of our website
- Ira Butler Trophy: Entries for the 2026/27 competition should be sent to the secretary of the competition (Irene Chalmers). Ian Chalmers advised that the results of the 2025/26 competition are now available. Details may be found on the following website: https://irabutlertrophy.org.au/.
- Orchids Out West - In recess, with preparations for the 2027 event underway under new Chair, Graham Larkham.
- Orchids Central – in recess after a hugely successful event. Wash up meeting due end October, financial details to come. Thank you to all who participated in the event, the volunteers (without whom the show would NOT go on), the venue, the vendors, our sponsors and our wonderful committee. In 2027 Orchid Central will be held from 14th to 17th October 2027.
- OSNSW Summer Orchid Festival (December 4-6, Georges Hall Community Centre). 4th meeting of organising committee last Saturday. We are on track and ahead of schedule. As this is an OSNSW show, there will be no vendors but members are encouraged to enter plants into the competition and invited to bring flowering orchids to sell. Promotion and advertising will begin now that other major shows are complete. A letter will go to societies encouraging member participation at SOF. Details about benching and the member sales table forthcoming shortly.
- AOC News – AOC AGM and BOM on 17th October 2026.

Treasurer's Report

As at 28 September 2026: OSNSW is financially viable. The current bank account balance is $11,263.88 and its term deposit balance is $160,290.90

Registrar's Report

Training : The course is going well and has the highest retention rate of any course run over the past 30 years and has produced more associate judges. The course is continuous and students can do the exam when they are ready. New students are welcome to join the course – just send an email to Ian at Ian Chalmers cattleya7373@gmail.com advising him of your interest.

Ian noted that orchid awards can now be entered on the AOC website locally. He also noted that work needs to be done to reclassify some of the Paphiopedilum classes to reflect changes in what is now being shown.

Meeting Speakers
October: TBA
November: Christmas Party

Supper was served.

Speaker

Ros Capell gave a well-illustrated talk on Latourea Dendrobiums. She noted that there are 55 different species, mostly in Papua New Guinea with just one native to Australia. The various different species can be found from 3,000m down to sea-level. A number of species have very curly petals and nodding flowers but there also a number which have flat and upright flowers. Some also have hairy petals. Ros showed examples of a number of the different species. Two hybridisers have been busy with these orchids – Phil Spence and Roy Tokunaga. Ros then showed how the various species have been used in hybridisation with a variety of results. Two very attractive examples of these are *Den.* Pacific Pride (*Den. alexandrae x Den. forbesii)* and *Den.* Micro Chip (*Den. normanbyense x Den. abberans).* Both of these have won quite a number of awards.

Plants of the Night

- Best species: *Paph. hirsutissimum* owned by Chin Wong
- Best Hybrid: *Paph.* Johanna Burkhardt owned by Bailey Wong (which was awarded an FCC on the night)
- Lucky Exhibitor: Antonina and David Forster

Congratulations to our winners this evening.

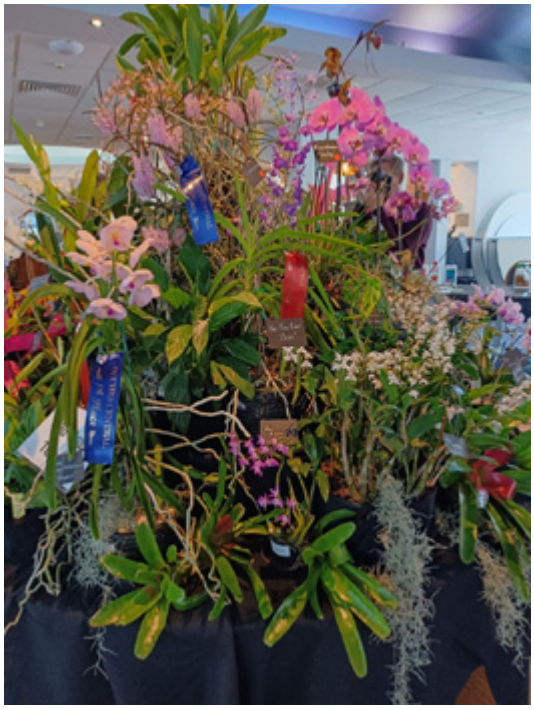

The raffle was then drawn. The prize winners were: Richard Blaxland, Daimin Japar, Bev de Brincat, Veronica Clowes and Dora Law (2)

The meeting was then declared closed at 10pm by Veronica who thanked the members for their attendance and wished everybody a safe trip home.

October 2026

Vale - Marie Upton, known as Jill
1925-2026

Ian Chalmers

Marion Upton was called Jill after her brother Jack said since he was Jack, she must be Jill, and the name stuck.

Jill Speight was born in Windsor in 1925. After her mother passed away around 1930, she moved to England to be raised by her grandparents.

In June 1944, Jill married Walter (Wal) Upton in Lincoln. Their first son, Colin, arrived in 1947, followed by their daughter Penelope in 1949. Jill and Wal returned to Australia in 1950, departing Southampton on the HMT Asturias on 23 November and arriving in Sydney on 18 December. Their second son, Andrew, was born in 1964.

Shortly after returning to Australia, Wal developed an interest in native orchids. Together, Jill and Wal founded Double U Orchids in Narrabeen to cultivate and hybridize orchids.

Jill likely represents the last of a fading generation. She was very involved in the Orchid Society of NSW (OSNSW) Ladies' Auxiliary and the Floral Art groups within OSNSW and the Manly Warringah Orchid Society.

Jill was a founding member of Orchid SPECIES NSW and the ANOS Warringah group. She and Wal were very active in the early days of the Ira Butler Committee.

Jill held Life Membership in ANOS.

Jill's contributions will be remembered in the histories of many orchid societies and in the hearts of all who knew her.

Saturday 5 December 10:00 AM - 4:00 PM & Sunday 6 December 10:00 AM - 3:00 PM.
