PRESIDENT'S REPORT

September usually marks the beginning of wonderful spring weather, cool nights, days becoming warmer and longer and new growth everywhere in our orchid collections.

So! What went wrong? The sudden shock of 18 - 34 Deg in Sydney last week may be a warning to us to prepare now for a sizzling summer. My poor Pterostylis have gone from flowering to brown in the space of 1 week.

The 2026 Orchids Central Show concluded last weekend and was another outstanding event. Held at Club Condell Park in a 'happy, gathering of friends' atmosphere, the club provides the space necessary for some really keen vendors and enthusiastic local societies coming together to showcase their excellent growers and wonderful orchids. With an extensive brunch and lunch menu, a bar and unlimited coffee, this show is becoming known as the 'social' event on our orchid calendar.

Our metropolitan shows are now rapidly coming to an end for 2026, although Sarcochilus season is just beginning. If Sarcos are your passion, the Revesby Workers Native Orchid Society show on 10th October usually features winning Sarcos each year.

The same day is the Species NSW Show and Auction, an annual event not to be missed if you're looking for advanced and hard to find species orchids. Located at West Pennant Hills. There is an auction list available on the SPECIES website: www.orchidspeciesnsw.com.au

Check out our website for more October shows and locations.

The meeting was then declared closed at 10pm by Veronica who thanked the members for their attendance and wished everybody a safe trip home.

AGM of the Orchid Society of NSW Inc. Meeting opened at 8.02 pm.

The Management Committee report given by Veronica Clowes:

OSNSW Committee Report for AGM 2026

It is my pleasure to provide an annual report on the functions and operations of OSNSW since September 2025.

It is pleasing to note that we have attracted 7 new financial members this year, Jan Robinson joining our committee and taking on the Show Marshal's position at Orchids Central.

On the home front, we answered the call to explore initiatives for the recruitment of new members and ideas which promote continued interest in our societies and in orchid growing generally. I sincerely thank those societies who took the time to write to us with ideas and proven activities. We have posted ALL of your suggestions to our website in the Affiliated Societies section. Please take a look, there are some great suggestions.

Our resurrected society Sales table at regular meetings under the control of Lesley Bromley and assisted by Jane D'Olier continues, though we need more members contributions, the plants being offered for sale are all of good quality and sell quickly!

We continue the early pack up routine of our hall, the 'special' raffle plant in compensation for the interruption of 'flow' to the meeting is still popular though sadly the members who don't wish to participate in the raffle, pack up and leave during this process. We did this to enlist more assistance from members to pack away the hardware used each meeting.

The 'special' raffle plant is valued at least $50 and the ticket drawing causes much excitement each month.

The Royal Easter Show: Our continued involvement and member participation to the Sydney 'Royal' gives success and great pleasure to a small but dedicated group of OSNSW members. We need more participants in this endeavour, please speak to one of us for more info. Our promotional 'CART' attracts much interest from passersby, eager for cultural advice, the promotion of orchid society locations and meeting details all available for those who display interest.

Shows: strange weather patterns again this year have caused headaches for our show organising committees. Our shows are targeted to the general flowering season of the genera we showcase, and to 'miss the mark' causes great disappointment all around. Our first show of the year ORCHIDS OUT WEST went off very well. The displays there showcase the fantastic local growers of the societies in the region. Always a very successful weekend. The Chairman, Malcolm Stone, has decided to focus on other interests in 2027 and Graham Larkham has taken up the reins.

Another show with OSNSW involvement is ORCHIDS CENTRAL. Held around the first weekend in October in Bankstown (late September in 2026) the show draws many local visitors from all walks of life, eager to see, learn and spend. O.C. as we call it, is proving to be a popular addition to the Sydney Orchid calendar. OC has a strong FB presence with over 1200 followers.

Our SUMMER ORCHID FESTIVAL preparations are full speed for our second event in 2026. 2026 show dates: benching 6-8pm December 4th, 2026, and 7.30 to 8am on December 5th before Judging at 8am. Show continues through December 5-7.
Our inaugural show in December 2025 was a huge success, given it is a sole OSNSW endeavour. The gorgeous Brazilian Cattleyas did not disappoint, along with many other species orchids and those summer flowering multi floral Paphiopedilums. And the Sales table!! What can I say, memorable plants offered…….all sold.

SOF (as we call it) was held at our 'home' venue in 2025 (which sadly is no longer available to rent on Sundays) so in 2026 we will re locate to the Georges Hall Community Centre (188 Birdwood Rd Georges Hall 2198) with an advantage of this venue being the ability to accept show plants on the Friday evening, with a very short benching opportunity on Saturday early, before judging at 8am.

The other major shows in the Sydney area, Mingara, the Cymbidium Extravaganza/NSW Paphiopedilum Society show and St Ives 'The big one' all continue to flourish, all reporting increased attendances…well done to you all.

So that is the summary of our year to date, may we continue to be enthusiastic in our endeavours, eager to participate in new ventures, willing to share information and successful in all that we do.

Treasurer's Annual Report was given by Chin Wong: Chin gave a brief outline of the financial position of the Society and the main movements in the accounts. She noted that it had been a good year and the Society's financial position had improved from last year.

Registrar's Annual Report given by Ian Chalmers: Ian reported that it had been a good year with approximately 90 awards now given out. There are a good number of associates and trainees coming along and most of the judging panels are doing well. However, we are losing three of the panel leaders who will need to be replaced in the near future.

Election of 2026/2027 Committee

The officers and committee members then stood down and Craig Scott-Harden was introduced as the returning officer.
The following nominations have been received:

Veronica Clowes	President
Christine Rethers	Secretary
Chin Chee Wong	Treasurer

Committee members: Garrie Bromley, Ken Siew, Toni Benton, Peter and Jane D'Olier, and Paige Sinclair
Ian Chalmers as Registrar of Judges (elected by the Judging Panel) and Irene Chalmers as Immediate Past President.
There being no further nominations, those nominated were declared elected.

The AGM concluded at 8.15pm and Veronica thanked Craig and resumed the chair.
